Auditor's Certificate

I hereby certify that I have examined the accounts of the Treasurer and Selectmen of the town of Bartlett, and find them correctly cast and properly vouched.

A. L. STILLINGS,
Auditor.

Bartlett Town School District Report.

To the Citizens of Bartlett Town School District:

In compliance with the usual custom, we hereby submit for your consideration the following report with recommendations:

In April, 1919, at our annual school meeting, we voted to raise the sum of \$5.00 on \$1,000.00 of the valuation of the town for the elementary schools. This sum would become available Sept. 1, 1919. We also voted to raise \$700 to pay the expenses of the spring term, and the bills outstanding. This with the balance of \$912.75, reported Feb. 1, 1919, made a sum of \$1,612.75. But we have found there was \$2,297.93 of old bills to pay before the town was out of debt. Deducting the \$1,612.75 from this sum leaves a balance of \$685.18 unprovided for. We ask that the District make provision for the payment of this debt.

The following is the financial statement of the elementary schools for the year beginning Sept. 1, 1919, to Aug. 31, 1920:

Report of Superintendent of Schools

To the School Board and Citizens of Bartlett:

I have the honor of presenting this my third report of the condition of your schools.

There has been no sickness to interfere with the schools, as a sharp watch for disease has been kept, and efforts have been made to interest the pupils in the matters that pertain to health.

MEDICAL INSPECTION

The pupils have been examined by a trained nurse with the following results: Defective vision 6, Pediculosis 2, Orthopedic defects 1, Defective teeth 5, Unvaccinated 3, Hypertrophied tonsils, 21. Notices were sent to the parents, but not as many cases have been reported as we hoped. A small outlay at this time may save a child from going through life handicapped by a diseased body.

TEACHERS AND SCHOOLS

Glen, Arthur G. Lord, teacher	31 pupils
Intervale, Faith Small, teacher	22 pupils

There are also seven pupils at Bartlett Special schools, five at Kearsarge, and four pupils in the North Conway high school.

I believe that the condition of high prices for the things we need has reached its peak, and that there will be a gradual falling of prices. But paper, books, wood and indeed everything necessary to run the schools has been very high. Teachers, too, will be

more plenty, as many who went into other lines of work are returning to the profession.

Thanking you all for your kind co-operation, I am

Respectfully yours,

L. M. FELCH.

Superintendent's Report

To the School Board and Citizens of Bartlett Special District:

'I am glad to submit this third report of the condition of your schools as the schools are in very good condition.

We have had four good teachers in the schools during the year, and the work done is very satisfactory. As Miss Dorothy Moore has had success in the teaching of penmanship, arrangements were made so that she has taught this branch in the other schools, and excellent progress has been made by nearly all of the pupils, in the muscular movement in writing. Elementary Science was introduced in the seventh and eighth grades, and great interest has been awakened in science, and an ambition to know more of these subjects is manifested. A number of the pupils who have been away to attend high schools have expressed the wish that some provision be made for a high school at Bartlett. Some of these pupils have re-entered the grammar school to do over some of the eighth grade work.

TEACHERS AND SCHOOLS

Mrs. Marion Stoddard, grades 7th and 8th 27 pupils

Dorothy M. Moore, grades 5th and 6th	21 pupils
Hazel Adams, grades 3d and 4th	38 pupils
Mabel J. Goding, grades 1st and 2nd	31 pupils

MEDICAL INSPECTION

The pupils have been examined as required by law, with the following results: Defective vision 16. Defective hearing 1. Nervous disease 1. Skin disease 4. Orthopedic defects 1. Hypertrophied tonsils 12. Enlarged glands 1. Notices were sent to the parents, and eleven cases were reported as having received treatment.

Prices have been very high for everything we need to run the schools; but prices are coming down and we shall be glad to have things at a normal rate.

I wish to thank the School Board, teachers, and parents for your help in making the work of the schools a success.

Yours respectfully,

L. M. FELCH.
